14 A CONCURRENT RESOLUTION, Urging Congress to repeal and defund Obamacare.

15 WHEREAS, on March 23, 2010, the Patient Protection and Affordable Care Act of 2010,  
16 also known as Obamacare, amended by the Health Care and Education Reconciliation Act of  
17 2010, passed by the unsavory political maneuvering of reconciliation, was enacted by  
18 completely partisan votes, i.e. not one Republican vote, in both the U.S. Senate and the U.S.  
19 House of Representatives; and

20 WHEREAS, since 2010, many South Dakota politicians have campaigned claiming to be  
21 opposed to Obamacare and to be dedicated to preventing the enactment and implementation of  
22 Obamacare; and

33 South Dakota, was defeated; and

2 agencies received five Obamacare grants to enact and implement Obamacare provisions, which

13 WHEREAS, on February 15, 2012, HB 1190, an Act to require Legislative approval before  
14 a health insurance exchange is created or implemented, was defeated; and

15 WHEREAS, on July 1, 2012, HB 1185 became law when it was passed to prohibit all  
16 qualified health plans offered through Obamacare health care exchanges in South Dakota,  
17 including abortion coverage; and

18 WHEREAS, on July 1, 2012, HB 1220 became law when it was passed to conditionally

29 market activity in an enacted Obamacare health exchange in South Dakota; and

30 WHEREAS, on July 1, 2013, HB 1103 became law when it was passed to exempt credit  
31 health insurers from certain provisions related to preexisting conditions; and

32 WHEREAS, between June 25 - September 20, 2013, South Dakota state governmental  
33 agencies received five Obamacare grants to enact and implement Obamacare provisions, which  
34 they previously applied for, totaling \$3,686,723.00; and

1 WHEREAS, all reliable public opinion polls continue to show that less than half of the  
2 population supports the unpopular Obamacare, and support continues to decline as more and  
3 more details of the costly law take effect and Americans lose their current health care coverage;  
4 and

5 WHEREAS, health care costs are already rising and are projected to rise more by the  
6 nonpartisan Congressional Budget Office estimates for this program, and the data is showing  
7 that the care and cost for those with health insurance will rise to compensate for those not being  
8 presently covered; and

9 WHEREAS, employers, especially those employing over fifty employees, are finding it  
10 impractical to employ more full-time employees due to these onerous costs, because it is  
11 impractical, expensive, and harms the businesses; and

12 WHEREAS, the Obama Administration recently delayed the employer mandate, but unfairly  
13 is still forcing individuals and families to pay to implement an individual mandate; and

14 WHEREAS, both public and private unions have petitioned for waivers to be released from  
15 the mandates of Obamacare, and recently, having discovered the details of the plan, are calling  
16 for repeal or fixes to the law; and

17 WHEREAS, health care should remain in the hands of citizens, not bureaucrats; and

18 WHEREAS, Obamacare will result in the IRS alone hiring more than 12,000 new agents to  
19 ensure compliance, while more and more regular Americans lose full-time work by the day; and

20 WHEREAS, the implementation of Obamacare has already prompted large corporations like  
21 UPS, Home Depot, Walmart and others to dramatically revamp or eliminate their employee  
22 health care plans, and reduce workers to part-time status to avoid Obamacare's draconian  
23 mandates, causing great suffering for middle-class American families; and

24 WHEREAS, the average family of four will spend an additional \$4,000 annually in health  
25 care costs by 2016 if Obamacare continues to be implemented; and

26 WHEREAS, government will collect more than \$1.3 TRILLION in new taxes over the next  
27 decade on everything from prescription drugs and private insurance plans to medical device  
28 manufacturers; and

29 WHEREAS, Obamacare forces free people, under the cover of a convoluted Supreme Court  
30 decision, to buy a product from a private company, which is fundamentally un-American,  
31 unconstitutional, and anathema to a country that was built on free market principles; and

32 WHEREAS, the United States Office of Personnel Management has recently exempted  
33 Congress and its staff from Obamacare while forcing American taxpayers they are supposed to  
34 serve, into compliance with it; and

1 WHEREAS, Congress has the power to stop Obamacare from being forced upon the people  
2 of the United States by introducing and securing passage of bills to repeal Obamacare as well  
3 as appropriations bills that exclude funding for Obamacare:

4 NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the Eighty-

6 Dakota Legislature urges South Dakota's Congressional delegation to support every effort by

9 to support such efforts as the will of the people.

31 WHEREAS, Jackson County, South Dakota is in imminent danger of bankruptcy; and

1 WHEREAS, approximately 51.6% of the total population of Jackson County lives on  
2 property tax-exempt Indian trust lands; and

9 WHEREAS, money derived from property taxes provides the majority of funds for county  
10 services to all residents of the county; and

11 WHEREAS, Indian people who live on trust property in Jackson County are residents and  
12 citizens of the county. They live there, work there, send their children to school there, hold  
13 public offices there, recreate there and are part of the local community; and

14 WHEREAS, Indian people who live on trust land consume county public services the same  
15 as other county citizens; and

16 WHEREAS, Jackson County is obligated to provide county service to all residents of the  
17 county including Indian people living on trust lands; and

18 WHEREAS, the federal government pays no compensation to Jackson County for public  
19 services rendered to Indian people; and

20 WHEREAS, a Supreme Court ruling in 1831, *Cherokee Nation versus Georgia*, determined  
21 that the federal government is responsible for all Indian peoples' wants and needs; and

22 WHEREAS, the population of Jackson County is 2,930, and approximately one-half of the  
23 county's population are Native Americans. Only 850 citizens of Jackson County are private land

27 available for the number of people living there. It is proven that unemployment contributes to  
28 poverty, alcoholism, drug use, violence, and crime; and

30 Three years ago Jackson County was averaging two prisoners daily. Currently, the average is

2 million with \$802,400 to the county, \$992,700 to the school districts, \$1,600 to the townships,  
3 \$270,000 to the towns, and \$7,100 to the water district; and

4 WHEREAS, the property tax loss due to trust lands in Jackson County is estimated at nearly  
5 \$1.07 million annually; and

6 WHEREAS, the federal government is effectively meeting its financial obligation on Indian  
7 reservations, but has abdicated its financial responsibility to counties with substantial Indian  
8 trust land within their county boundaries; and

9 WHEREAS, the county has opted-out of the state imposed property tax freeze for \$150,000  
10 annually for the past five years. Five years prior to this the county had opted-out of the state  
11 imposed property tax freeze for \$100,000 annually for five years. The opt-out is a temporary  
12 stopgap measure with a renewed opt-out planned beginning in 2015. The new opt-out may be
